## LARGEST CLASS IN SCHOOL'S HISTORY WILL GRADUATE

92 MEMBERS TO RECEIVE HIGH SCHOOL DIPLOMAS JUNE 1; FEW GIRLS TO GRADUATE FROM DOMESTIC SCIENCE COURSE.

The largest class in the history of Wisconsin Rapids will graduate next June from Lincoln high school when 92 members of the senior class will receive their diplomas during the final night of the graduation exercises, June 1.

The English course proved to be the most popular with the members of this year's class as 51 will graduate from its ranks. Following the English course the Manuel Traning course ranked next with 20 members, then the Commercial Course with 14, and lastly, the Domestic Science course with 3. Four members of the class graduated in January from the English course, making in all a total of 92 members.

**Girls Assert Independence**

The apparent lack of interest in the domestic science course is felt to be due to the growing spirit of independence, an outgrowth of the granting of suffrage, which is manifested throughout the country. The daughter of today, it is claimed, is not satisfied with the roll of housekeeper nor is she satisfied with the fate that has made her dependent upon man, causing them to enter upon a business career to assert their independence.

**Backs Class Play**

All members of the class are enthusiastically backing the class play "Clarence," which will be staged at the Port Edwards Auditorium, May 11. All boys who are favored (or otherwise) with the name of "Clarence" and who are in regular attendance at the high school are to be given a free ticket to the performance. Prizes are also being offered to the girl who sells the most tickets.

The class roster is as follows:

**English Course**

Florence Albert, Roy Anderson, Grace Barnes, Caroline Baughman, Earl Baughman, Idelle Baughman, Walter Bean, Harold Bell, Naomi Collins, Richard Dakin, Helen DeGuere, Rachel Demtoe, Donald Dickson, Grace Dixon, Ella Ehlert, Clara Fisher, George Frechette, James Gibson, Earl Gouchee, Clarence Grabowska, Rosalie Hofschild, Evar Johnson, Constance Knox, Sylvester Kruger, Marie Kumm, Maurine Le May, Zona Leu, Signa Lundberg, Addie Margeson, Clarence Martin, Ogden Mills, Ruth Newman, Philip Nobles, Hazel Nye, Lloyd Panter, Inez Panter, Caroline Pomainville, Ernest Preisler, Christie Rodeghier, Alice Strack, Lester Sydow, Gwen Telfer, Dorothy Trachte, Lawrence Wesley Alice Wolfe, William Scott, Gladys Plenke, James Pizak, Clare Smith, Francis Arpin and Hazel Wood.

**Commercial Course**

Charlotte Canning, James A. Case, Verna Denniston, Nellie Farrell, Margaret Fischer, Mary Herron, Helen Justesson, Ethel Klevene, Joseph Ryan, Mae Welton, Matilda Wendland, Elsie Ross, Esther Weisberg, Marie Provost.

## *Senate Kills Popular Vote on Prohibition*

(By Associated Press)

Madison, Wis. May 4.—The Wisconsin senate last night voted against a referendum of the people on the prohibition question, both the wets and drys adjoining to bring its defeat.

A statement by Senator Huber that the Democratic was the only party to have a wet plank in its platform brought a retort from Senator Polakowski, Socialist, of Milwaukee, who advised the Senate that the Socialist party had always been wet.

"And the candidates for this party," he said, "did not go around the state like Governor Blaine being wet in wet districts and dry in dry districts."

The measure was killed without a roll call

## *Hospital Planning Homecoming For Babies On May 12*

A "homecoming" for the eighty babies born at Riverview hospital within the past two years and their mothers will be an important feature of the annual celebration of National Hospital Day, May 12, at the Wisconsin Rapids institution.

Invitations have already been issued to the eighty babies and their mothers and it is expected that a large proportion of the little ones who got their first glimpse of this world within its walls will return to help then "alma mater" celebrate. Every baby who comes on National Hospital Day will receive a souvenir, if it is only a flower, and there will be music and a general good time.

Observation of the day here is part of a nation wide movement for greater public interest in hospitals and the work they do and baby "homecomings" such as that to be held here are on the day's program at institutions throughout the country. It is believed, according to word received from the National Hospital Day Committee, Chicago, that in more than 500 cities and towns hospitals will invite youngsters born within their walls within recent years to return for the day. Mothers and fathers, grand parents, uncles and aunts and other boosters for the baby will come along too, to meet the officers and personnel of the hospitals and to see what new improvements have come in the past year in the way of equipment and organization to help the hospitals in their constant fight against disease

## Death Claims Victim Of Mill Accident Yesterday

INJURIES RECEIVED FROM FALLING LOG IN CONSOLIDATED WOOD ROOM PROVE FATAL TO JOHN MEYERS.

John Meyers, Consolidated Water Power and Paper Company employe who was taken to Riverview hospital yesterday noon following an accident in the wood room of the company's mill here in which both of his legs were broken, died as the result of his injuries at about 5 o'clock yesterday afternoon. Death, in the opinion of the physician who attended him was probably due more to the shock than to the actual injuries, as these were confined to his legs and did not effect any of the vital organs

**Leaves Two Children**

The dead man, who had been in the employe of the local company for the past two years, leaves a widow and two children, Harold, 11, and Viola, 9

According to the best available information the accident occurred during the unloading of a car load of heavy hemock logs. A log became wedged sideways, jamming the load. While Meyers was endeavoring to loosen the wedged log, another came loose and swinging down from the side caught him across the legs before he could get out of the way

**Liked By Fellow Workers**

The deceased was born at Seneca Corners, April 4, 1882 On June 14, 1911, he was married to Miss Martha Schiller of the town of Hansen and about four years ago the family moved to Wisconsin Rapids. Mr. Meyers was regarded as an efficient and careful workman by the management of the Consolidated company, and was popular with his fellow workers.

Survivors, in addition to his immediate family incude three married sisters: Mrs. Anna Seado, Bemidji, Minn.; Miss Martha Brandt, Kellner, and Mrs. Frieda Stake, Seneca Corners.

Funeral services will be held Monday at 1 p. m. from the home, 223 Ninth avenue north, and St. Paul's Evangelical Lutheran church. The Rev G M. Thurow will officiate and burial will be in the town of Hansen.

## Farrar's Divorce Suit Must be Tried by Jury

(By Associated Press)

New York, May 4.—Geraldine Farrar's divorce suit against Lou Tellegen her actor husband which had been nearly completed before a referee, must be retried by a jury, the appellate division of the supreme court ruled today, in order that Miss Stella Larrimore, one of the correspondents named by the diva, may have an opportunity to clear her name in public.

## BLAINE ACTS TO FORCE PASSAGE OF TAX MEASURE

THREATENS VETO OF APPROPRIATION BILLS IF PET TAXATION SCHEME IS NOT GIVEN APPROVAL.

Madison, Wis. May 4—Governor Blaine served notice on the joint finance committee today that unless the legislature passes his general income tax bill the large appropriations, for which mill taxes are the source of revenue, will face an executive veto. This move of the governor is expected as a final coup in an effort to force a favorable report of the finance committee and enactment of his proposed tax law.

**Threatens Use of Veto**

In his letter, addressed to Senator Henry A. Huber, chairman of the finance committee, Governor Blaine set himself up as the leader of the Progressive Republicans, outlines the pledge he made to the people at the last general election for a change in the tax laws, expresses disapproval of the surtax on incomes, and then sets out his intention to veto appropriation bills, unless his tax plan is accepted.

"On these lines and within the constitutional power the contest will be made," he concluded his letter

**Committeeman in Tears**

The joint committee on finance which met yesterday afternoon to act again on Governor Blaine's general tax bill, broke up in a row late yesterday, with at least one member in tears, and without having taken any stand on the measure. Another meeting is to be held at three o'clock this afternoon, when it is planned to dispose of the administration tax proposal.

Governor Blaine is understood to have a communication which he will address to the committee when it meets. It will be the last minute effort, legislators say, to give him an edge in the balloting on his bill.

**Claim Pressure Used**

After the measure was referred back to the committee at Wednesday night's session, it was believed that opponents of the proposal would have a two vote edge, returning a report of 8 to 6 against the bill.

Assemblyman Summerville has taken seriously ill and is in a hospital Pressure, which members say is "unusual" is being brought to bear on Assemblyman Liehe, the other member who is opposed to the bill. He spent considerable time yesterday in the governor's office

## *Many Cases Of Defective Vision Found*

Defections of sight that have been prevalent for years, but which have not been noticed to any great degree, were found in a great number of cases which came to the attention of state experts, who held a free clinic at the court house under the auspices of the State Bureau for the Care of the Blind, Friday. Mrs. Anna Clancy, county nurse, and Miss Amelia Schroedel, school nurse, succeeded in getting the clinic to this city.

One child, fifteen years of age, who was found to have a convergent squint has only one fifth vision while if the defect would have been corrected when the child was young the sight would not now have been impaired, is the claim of an attendant nurse in citing one of the cases brought to light through the clinic.

Cataracts, detached retina and myopai, especially myopia (commonly called near sightedness) were found in great numbers. Myopia, the nurse claimed, could be corrected if taken early and even at a late date properly fitted lenses would relieve the difficulty to a considerable extent.

One girl, nineteen years of age, was found to have defective vision to such an extent that she was unable to count fingers on a hand over five feet away with her right eye and only ten feet away with her left eye.

Up until two o'clock 121, adults and children, had registered and 96 had been examined.

Saturday the clinic will be held at Marshfield.

## Conditions Favorable to Farm Work Report States

Madison, Wis.—Conditions have been favorable for farm work during the last two weeks in Wisconsin the crop reporting service anounces. A serious shortage of farm labor is said to be hindering the farmers, however.

The report says that temperature have been about normal with sufficient precipation to keep the soil in goo dshape. Planting of corn is said to be well under way in the southern part of the state.

Oats and barley seeding is reported to be practically completed in the southern counties and progressing rapidly in other sections under favorable conditions. All fields where plants are above the ground, look good.

Severe damage to winter wheat and rye is reported to be evident in many localities since the plants have begun to grow. Spring wheat average will be considerably less than last year, according to the report. Fruit trees are generally in good condition.

## *Many Cases Of Defective Vision Found*

Defections of sight that have been prevalent for years, but which have not been noticed to any great degree, were found in a great number of cases which came to the attention of state experts, who held a free clinic at the court house under the auspices of the State Bureau for the Care of the Blind, Friday. Mrs. Anna Clancy, county nurse, and Miss Amelia Schroedel, school nurse, succeeded in getting the clinic to this city.

One child, fifteen years of age, who was found to have a convergent squint has only one fifth vision while if the defect would have been corrected when the child was young the sight would not now have been impaired, is the claim of an attendant nurse in citing one of the cases brought to light through the clinic.

Cataracts, detached retina and myopai, especially myopia (commonly called near sightedness) were found in great numbers. Myopia, the nurse claimed, could be corrected if taken early and even at a late date properly fitted lenses would relieve the difficulty to a considerable extent.

One girl, nineteen years of age, was found to have defective vision to such an extent that she was unable to count fingers on a hand over five feet away with her right eye and only ten feet away with her left eye.

Up until two o'clock 121, adults and children, had registered and 96 had been examined.

Saturday the clinic will be held at Marshfield.

## *Mrs. G. L. Williams Former Resident; Dies Thursday*

Word was received Thursday evening of the death of Mrs. G. L. Williams, who passed away Thursday morning, May 3rd, at her home in Minneapolis, 2637 Gerard Ave. South. Death was due to pneuinonia.

Mrs. Williams was a former prominent resident of this city, having lived here for many years, later moving to Minneapolis. She was the wife of George L. Williams, well known criminal lawyer of Wood county. Mr. Williams died at his home in this city five years ago.

Mrs. Williams was active in social and club work and was one of the founders of the local Woman's Club, twenty-five years ago, and also one of its most enthusiastic members. Mr. and Mrs. Williams built two of the beautiful homes of Wisconsin Rapids, both located on Third street south. The first one is now owned and occupied by George P. Berkey and family and the latter is now the residence property of George M. Hill and family.

Mrs. Williams is survived by three children, Mrs. Fern Arpin, who resided with her mother at Minneapolis; Glenn Williams, an attorney at Ladysmith; and Mrs. Norval Quinn of McGregor, Minn. She also leaves several grandchildren.

The remains of Mrs. Williams will be taken to Appleton to be laid to rest beside her husband.

## Thirty-Two Boats Pass Soo on Way to Superior

Superior, Wis. May 4—Thirty-two boats, headed for the Superior-Duluth harbor, passed Sault Ste. Marie Thursday. The boats should reach the local harbor some time today, but are reported to be blocked by ice about four miles south of Whitefish Point, owing to the change of wind, according to reports received here by vessel men.

Ten of these boats are loaded with coal and are reported to be making their way slowly through Whitefish Point, according to a report received by Gordon H. Blackburn, secretary and treasury of the Superior Ship Building Co.

## ADMINISTRATION SEEKS TO AVOID TROUBLE ABROAD

REGULATIONS GOVERNING INTOXICANTS ON SHIPBOARD ARE BEING PREPARED WITH EXTREME CAUTION.

(By Associated Press)

Washington, May 4.—The administration is moving in extreme caution in its preparation to apply the supreme court liquor edict against foreign vessels in American ports, and the regulations now in the making, will not be announced until every possible angle of the situation has been examined.

There are indications that the state department was preparing for diplomatic battles with the foreign governments.

**Rum Fleet Returns**

New York, May 4.—The rum fleet which apparently had run away yesterday in the face of a three sided attack by the government force, has circled back and is lying in extended formation off the coast, Captain Berry of the coast guard service announced today.

The yatcht Istar and the British tanker Wars Zawa are off of Jones Inlet, while some schooners are scattered along an open formation about twelve miles apart.

Capt. Berry announced that the cutter Seneca had captured two motor boats communicating with one of the rum ships.

## Have Description of Man Who Robbed Vesper Station

Railroad officials of the Northwestern and county and state officials are seeking information on the whereabouts of a tall man, weighing about 190 pounds, dark complexioned and who has cawliflower ears, suspected of being implicated in two recent robberies at the Vesper station and the theft of a shotgun from the tower west of this city. Telegrams flashing a description of the man have been sent to all stations along the line and authorities everywhere are notified to hold him.

Although the robberies at Vesper were of little consequence, as little was obtained in either case, the railroad officials are determined to apprehend him as a lesson to those who make it a practice to rob the stations in the smaller towns.

## Conditions Favorable to Farm Work Report States

Madison, Wis.—Conditions have been favorable for farm work during the last two weeks in Wisconsin the crop reporting service anounces. A serious shortage of farm labor is said to be hindering the farmers, however.

The report says that temperature have been about normal with sufficient precipation to keep the soil in goo dshape. Planting of corn is said to be well under way in the southern part of the state.

Oats and barley seeding is reported to be practically completed in the southern counties and progressing rapidly in other sections under favorable conditions. All fields where plants are above the ground, look good.

Severe damage to winter wheat and rye is reported to be evident in many localities since the plants have begun to grow. Spring wheat average will be considerably less than last year, according to the report. Fruit trees are generally in good condition.

### DISTANCE ELIMINATED

Flying at an average speed of better than 100 miles an hour for approximately 27 hours, two United States army aviators yesterday completed a non-stop flight from Hempstead, N. Y., to San Diego, Cal., an air-line distance of 2,635 miles.

This fete, which smashes all previous airplane endurance records, is not only a tribute to the development and efficiency of the United States army air service, but definitely foreshadows what the next few years will produce in rapid long distance passenger and mail transportation.

From the Atlantic to the Pacific in little more than 24 hours is the realization of what a very few years ago would have been considered an absolute physical impossibility. The fact that the conquering of thousands of miles has within less than a century been reduced from months and weeks to a matter of hours and minutes is certainly one of the most significant landmarks in the progress of civilization, for nothing is more important to our complicated present day social and economic organization than mastery over distance.

With the accomplishment of this remarkable fete a matter of history, perfection and standardization of the mechanical devices which made it possible will come rapidly, and with that Boston and San Francisco will be closer than were Boston and New York a century ago; a resident of Chicago will be able to visit London and Rome and return more easily than a century ago he could visit St. Louis.

Certainly the world is going forward. Nations are more closely linked and more dependent upon each other economically than were counties and states in an era not long departed. It is this fact that made the Word War the great source of world suffering that it has provided, and it is this fact, when fully realized, that will sometime make such wars impossible.

## Private Detectives Wage Fight Against Licensing

Madison, Wis.—Following several attempts to legislate regulations including the licensing and registering of private detectives, the final fight of the session swung our way in the assembly state affairs committee on Thursday with the hearing on a bill by Assemblyman Thomas Duncan, Milwaukee.

Assemblyman Duncan declared that he did not believe any one had more right to set up a private police force than they would have to establish a private army."

Representatives of practically all private agencies in the state appeared against the measure. They denied assertions by Assemblyman Duncan that private detectives were the "lowest" class of people.

J. J. Handley, representing the Wisconsin Federation of Labor, and Joseph A. Padway, also representing labor organizations, appeared for the measure.

KELLOGG'S BRAN
gives permanent relief
because it is ALL BRAN!

With the most dangerous diseases close on the trail of sufferers from constipation, there's no time to waste on foods with a low bran content! The one answer to constipation is BRAN that is ALL BRAN! That's why you should eat Kellogg's—and eat it regularly; at least two tablespoonfuls daily; as much with each meal in chronic cases! KELLOGG'S BRAN IS SCIENTIFICALLY PREPARED TO RELIEVE SUFFERING HUMANITY AS NO OTHER FOOD CAN!

Don't delay a minute! Get started on Kellogg's Bran to-day and your health will steadily improve and bowel conditions return to normal, no matter how long you have suffered with constipation, mild or chronic.

Remember that Kellogg's Bran is not an artificial laxative, but nature's own bulk food that acts as sweeper, cleanser and purifier. Its work for health is wonderful! Besides, bran contains the most valuable mineral salts and other life-sustaining elements—it is a blood maker and bone and tissue-builder!

Kellogg's Bran, being cooked and krumbled, is delicious eaten as a cereal, or sprinkled on hot or cold cereals. Another happy way to serve Kellogg's Bran is to cook it with your favorite hot cereal. In preparation, add two tablespoonfuls of bran for each person, cooking the cereal as usual.

You can make the most delightful muffins, raisin bread, pancakes, macaroons, etc., with Kellogg's Bran—and it's fine in gravies, soups and purees.

The big thing is to get started on Kellogg's Bran quickly—for the sake of the health of your entire family—AND SERVE IT REGULARLY! First-class hotels and clubs serve Kellogg's Bran in individual packages. Ask for it at your restaurant!

## *Legislature In Grip Of Spring; Unrest Growing*

Madison, Wis.—With the advent of spring, legislator's minds are turning to thoughts of other things than their task here, it is developing.

The farmers members of the assembly, 53 strong, are asking for leaves of absence in considerable force so that they may get back to the soil while the spring work is being done. Their absence will be more keenly felt as the session nears it end with the important bills to be disposed of.

A general unrest is beginning to be noticeable among members now that warm weather has appeared, the veteran legislators say. They hope that will cause a disposition to hurry along the session.

Committee hearings are practically at an end, the bulletins for the coming week show. But few of the committees have calendars and those that have are to consider a small number of unimportant bills.

In the joint committee on finance the Garey bill providing old age pensions is to have a hearing on Wednesday. On Thursday that committee will hear the Huber bill to transfer auto license division of the secretary of state's office to Waupun, to be placed under the board of control. The Teasdale bill to establish college courses in normal schools is before the finance committee on Friday.

Every Child is Entitled to a Fair Start!

*Is Your Child Starting Life Fair or "Handicapped"?*

A Child has no means whatever of knowing whether his eyes are right. Carefully conducted examinations show that a large percentage of all children between the ages of six and sixteen, have defective eyes.

Has Your Child Correct Vision?

If you do not know, if he does not know, now is the time to find out. The suitable time to put out a fire is before it amounts to anything. The sensible time to stop eye strain is before it "amounts to anything."

Nothing but trouble is gained by waiting.

A thorough examination by an optometrist is interesting, not at all unpleasant, and as no drops or drugs of any kind are used, causes absolutely no unpleasant after effects.

You can get the facts about your child's eyes easily and positively.

Fruit and Vegetables

We are opening tomorrow morning one of the finest Fruit Stores you will find anywhere in Wisconsin. We want every person in this city to visit this store Saturday if possible and see for yourself that we are not misrepresenting the fact that you can find here anything that is on the market in fruit or vegetables at a price that is a saving to you. Watch for our prices from day to day. Tomorrow we will give a carnation free to the ladies.

# In the News 50 Years Ago

**Taken from the columns of the WOOD CO. REPORTER of 1873, H. B. Phillips, editor, Jas. E. Ingraham & Co., publishers.**

MAY 1, 1873

**Kerosene Bbls.**—Forty empty Kerosene barrels standing in line by Spafford & Compton's tell of one thousand eight hundred and forty gallons of the oil sold by them alone the past winter.

**Yellow River Items**—Mr. Houston is about to put up a lumber and shingle mill on the Yellow river near his residence. The mill will be capacious and the machinery driven by a fifty-three inch turbine of twenty-five horse power.

—The Yellow River Improvement company are erecting a flooding dam at Wood which will enable the Necedah manufacturers to get to market with their lumber in the driest seasons.

—All the able-bodied men are on the "drive" and up about the Tomahawk river.

—The largest "drive" ever sent out of Yellow river is now passing Wood and Dexterville. It is estimated that the logs will extend thirty miles from Necedah when all in the boom.

**Trout**—Merrillan is where they catch 'em. Already trouting parties are talked of. We should like to be one of a party but we won't damage the prospects of anglers—fish don't even nibble when we are fishing.

**Building**—In Grand Rapids and Centralia there are nearly fifty structures going up, of various grades, sizes and descriptions. This betokens progress, most certainly. In everything our two towns are making progress, and we see no occasion for apprehension of coming disaster, as many apprehend, because of a burden of taxation occasioned by the building of railroads, etc. The fact is, just what we have is to be the making of us. Our city is full of strangers, and we hear of new schemes every day which will become tangible by and by. We predict that by another year we shall have begun to discern a decided improvement in all kinds of business as well as in the conditions of our finances. In the meantime let our capitalists give every seeker for "powers" and sites for manufacturing every encouragement and prosperity will be sure from this time on.

# GRADE CREWS ARE BEGINNING WORK

PREPARE ROADS FOR CEMENT PROJECTS; LOST SHIPMENTS OF CEMENT DELAY WORK ON TWO PROJECTS.

County board grading crews are beginning to get into cation for the summer in compliance with the board's wishes to keep roads of the county in as good shape as possible and get ready for the paving jobs already under contract.

W. H. Schmuhl, foreman has a crew of men grading on the N. Carey road in the town of Cary. He was in this city Wednesday conferring with county road officials and to receive instructions for the weeks work was commenced there today.

Pohn, Monagan and crew started grading on the river road in the town of Port Edwards, south of Nekoosa, today. He was in this city yesterday making arrangements for the opening of the season.

**Work Held Up**

The crew of the W. E. Ule Construction, Stevens Point, are now grading on the Babcock—Pittsville road where they expect to commence pouring concrete in the near future. It was thought that they would be pouring on this job by the middle of this week but owing to a lost shipment of cement the actual start of pouring has been postponed.

Brogan & Shaefer, Green Bay, contractors on a project in the town of Arpin, who had representatives on the project this week found that the wet condition of the ground would delay work for a short time.

**Relocation Is Soggy**

Owing to the soggy condition of the relocation on road 13, between this city and Seneca Corners, work has been delayed. W. E. Ule Construction Co., Stevens Point, are the contractors on this project and have not definitely decided on which end of the project they will start pouring.

Bossert Construction Co., this city, contractors of the Wood Hill project in the town of Port Edwards, are also being held up by a lost shipment of cement.

HARTFORD TIRES AND TUBES

A MAN doesn't *always* make a mistake when he buys a cheaper tire than the Hartford.

But to be on the safe side, come in and let us give you some interesting sidelights on this tire business.

Hartford Tires and Tubes were delivering good service before most of these other tires that you see had been created. Hartford built the *first* single tube bicycle tire. Hartford was instrumental in the development of the *fabric* now used in *all* automobile fabric tires.

To be a Hartford—to carry the Hartford name—a tire has got to be as *good as any tire builder knows how to make it.*

That's why you always get a *full dollar's worth of service* for every dollar you pay for Hartford Tires.

## Rudolph Calf Club Will Name Officers Tomorrow

The twenty-four members of the Rudolph calf club will meet at the C. H. Imig home tomorrow evening to elect officers and discuss plans for the club's activities during the coming year.

Interest in calf club work at Rudolph is high this year and members are confident that the records to be established during 1923 will exceed even those of last year, when numerous honors were won by members of the Rudolph club. Interest is especially strong in plans for exhibiting at the Wisconsin State Fair, which is offering special inducements to calf club exhibitors this year, and it is expected that Rudolph will furnish a good delegation.

A. N. Howalt of the Wood County Agricultural school is taking an active part in the development of calf club work in the county this year, and with three clubs already organized and a number of others in prospect it seems likely that work in the county as a whole will exceed that of any previous year.

# DEMPSEY-GIBBONS FIGHT NOT CLOSED; FEW DETAILS LEFT

KEARNS WANTS CHECK TURNED INTO COLD CASH: PROMOTER SAYS KEARNS DEMANDS ARE NOT UNREASONABLE.

Chicago.—(A. P.)—Failure to agree on minor details after the question of a referee has been practically settled prevented the signing of articles Thursday night closing a fifteen round heavyweight championship match between Jack Dempsey, the title holder and Tom Gibbons, the St. Paul challenger at Shelby, Mont., on July 4.

Jack Kearns manager of the heavyweight champion and Mike Collins, representative for the promoters, said the articles would be signed on Friday. The reason for the delay in signing was because Kearns wanted the certified check for $110,000 turned into cash at once.

Jimmy Daugherty, veteran referee of Philadelphia, probably will be selected third man in the ring on Friday. Daugherty was Kearns' only choice yesterday at the start of the conference that the Philadelphian be selected. Eddie Kane manager of Gibbons objected to the selection of Daugherty claiming that he was too friendly to both Kearns and Dempsey, but after several hours of discussion Kane practically agreed to Daugherty.

Will Insure Fighters

In addition to the referee issue, the question of insuring the boxers also came in for discussion, as neither Collins nor Loy Molumby, a Great Falls Mont., lawyer representing the promoters, desired to turn over the $110,000 to Kearns without assurance that Dempsey would go through with his part of the agreement.

Ironing out the minor details of the match proved to be a problem because neither Kearns nor Kane for reasons best known to themselves were on speaking terms. Kane and Gibbons were quartered on the eighteenth floor of the hotel in which the conference was held, while Kearns occupied a room four floors below.

Collins was kept on the run all afternoon in his attempt to break up the deadlock over the selection of a referee.

"I am ready to sign at any time," Kearns said. "All I want is the promoters to go through with the offer they made me. I came on from New York for the express purpose of signing and will do so the moment my demands, which I do not consider unreasonable are met. I do not intend to let July 4 go by without having Dempsey box somebody and I don't care whether it is Gibons, Firpo, Willard or any other heavyweight who wants a shot at the championship."

Collins said Thursday night that the match will undoubtedly be closed on Friday.

Must Clog Loopholes

"In a match of such importance many litte details come up which we did not expect, but I am sure everything will be in shape to have the articles signed with him in the next twenty-four hours," Collins said. "Kearns is not unreasonable in his demands, but every loophole must be clogged for the protection of all concerned. Both Kearns and I presented articles of agreement and in justice to Kearns I consider that his articles were fairer than ours."

Daugherty who seemed certain of being selected as referee was the third man in the ring at Benton Harbor, Mich., three years ago, when Dempsey knocked out Billy Miske of St. Paul. Kearns at that time insisted upon the selection of Daugherty, threatening at the last minute to call off the match if his demand was refused.

# TY'S TIGERS CLUB WAY TO TOP OF AMERICAN LEAGUE

CRUSHING ATTACK OF JUNGLEERS FORCES CLEVELAND INTO THIRD PLACE; GIANTS FALL BEFORE DODGERS.

Deroit—Detroit slugged her way into first place and a victory over Cleveland on Thursday, 6 to 5. Uhle was driven from the box and Metevier fared but little better. Dauss was hit hard but received good support. Veach's barehanded catch after a long run being a feature. Heilmann was out of the game on a one day suspension, the aftermath of his argument with Umpire Ormsby in Wednesday's game.

Boston—Errors by Galloway and Hale, followed by Burns' single, gave Boston two runs in the third, enabling the home team to win from Philadelphia, 3 to 1, on Thursday. Hasty allowed but seven hits.

Chicago——St. Louis hit T. Blankenship opportunity and got an even break in the series with Chicago by taking the final game 6 to 2. Danforth was in fine form and had little difficulty holding the locals.

Washington, D. C.—New York made it three out of four from Washington by winning the final game of the series on Thursday, 3 to 2. Warmouth's wildness proved costly, while Pennock pitched effectively until the ninth inning when a fine throw by Ruth ended a Washington rally.

Home Run Wins Game

Philadelphia—Philadelphia took the final game of the series from Boston on Thursday, 6 to 4. Ring held the visitors to nine scattered hits. Cy Williams won the game for the locals in the seventh when he drove the ball over the right field wall for his sixth home run of the season. Rapp was on first and scored ahead of Williams. Powell also put the ball over the wall in the fifth scoring two teams mates ahead of him.

New York—After losing seven successive games to New York, Brooklyn easily captured the last game of its series with the world's champions 11 to 3. Brooklyn landed on four Giant pitchers for seventeen hits, and clinched the game with six runs in the fifth inning, bunching seven hits on Scott and Lucas.

Pirates—Cards Win

Pittsburgh—Pittsburgh won the opening game of the series with Cincinnati 3 to 1 on Thursday. Babe Adams pitched a steady game and was given sensational support. Donahue was relieved in the eighth inning by Benton to make way for a pinch hitter. The Pirates returning from St. Louis missed connections at Cleveland and completed the journey on a special train. Grimm hit safely on Thursday the sixteenth consecutive game.

St. Louis—Singles by Bottomley gave St. Louis a 3 to 2 victory over Chicago on Thursday. Bottomley's safety in the sixth scored Flack and his single in the eighth drove in Flack and Hornsby.

TANLAC ALONE PUT GLOW OF HEALTH BACK INTO CHEEKS, SHE STATES: ALSO RESTORED MOTHER

"I am so healthy and happy now that I monopolize the spare time of my friends telling them about the Tanlac treatment," recently declared Miss Evelyn Marcotte, 1419 N. Dearborn St. Chicago, Ill.

"I was so run-down it tired me out to stand on my feet any length of time. I was pale and nervous and never sleep well. I also had violent headaches and attacks of indigestion that almost drove me frantic. I had spent so much money without getting better I began to think nothing could help me.

"But the Tanlac treatment has built me up in weight and strength and put the glow of health back into my cheeks. My troubles are gone completely, and I feel just fine in every way. My mother, who was also in a run-down condition, has taken Tanlac with splendid results. Nothing pleases me better than to praise Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 27 million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.—Adv.

# DEMPSEY-GIBBONS FIGHT NOT CLOSED; FEW DETAILS LEFT

KEARNS WANTS CHECK TURNED INTO COLD CASH; PROMOTER SAYS KEARN'S DEMANDS ARE NOT UNREASONABLE.

Chicago.—(A. P. )—Failure to agree on minor details after the question of a referee has been practically settled prevented the signing of articles Thursday night closing a fifteen round heavyweight championship match between Jack Dempsey, the title holder and Tom Gibbons, the St. Paul challenger at Shelby, Mont., on July 4.

Jack Kearns manager of the heavyweight champion and Mike Collins matchmaker for the promoters, said the articles would be signed on Friday. The reason for the delay in signing was because Kearns wanted the certified check for $110,000 turned into cash at once.

Jimmy Daugherty, veteran referee of Philadelphia, probably will be selected third man in the ring on Friday Daugherty was Kearns' only choice insisting at the start of the conference that the Philadelphian be selected. Eddie Kane manager of Gibbons objected to the selection of Daugherty claiming that he was too friendly to both Kearns and Dempsey, but after several hours of discussion Kane practically agreed to Daugherty.

Will Insure Fighters

In addition to the referee issue, the question of insuring the boxers also came in for discussion, as neither Collins nor Loy Molumby, a Great Falls Mont., lawyer representing the promoters, desired to turn over the $110,000 to Kearns without assurance that Dempsey would go through with his part of the agreement.

Ironing out the minor details of the match proved to be a problem because neither Kearns nor Kane for reasons best known to themselves were on speaking terms. Kane and Gibbons were quartered on the eighteenth floor of the hotel in which the conference was held, while Kearns occupied a room four floors below.

Collins was kept on the run all afternoon in his attempt to break up the deadlock over the selection of a referee.

"I am ready to sign at any time," Kearns said. "All I want is the promoters to go through with the offer they made me. I came on from New York for the express purpose of signing and will do so the moment my demands, which I do not consider unreasonable are met. I do not intend to let July 4 go by without having Dempsey box somebody and I don't care whether it is Gibons, Firpo, Willard or any other heavyweight who wants a shot at the championship."

Collins said Thursday night that the match will undoubtedly be closed on Friday.

Must Clog Loopholes

"In a match of such importance many litte details come up which we did not expect, but I am sure everything will be in shape to have the articles signed with him in the next twenty-four hours," Collins said. "Kearns is not unreasonable in his demands, but every loophole must be clogged for the protection of all concerned. Both Kearns and I presented articles of agreement and in justice to Kearns I consider that his articles were fairer than ours."

Daugherty who seemed certain of being selected as referee was the third man in the ring at Benton Harbor, Mich., three years ago, when Dempsey knocked out Billy Miske of St. Paul. Kearns at that time insisted upon the selection of Daugherty, threatening at the last minute to call off the match if his demand was refused.

# TY'S TIGERS CLUB WAY TO TOP OF AMERICAN LEAGUE

CRUSHING ATTACK OF JUNGLEERS FORCES CLEVELAND INTO THIRD PLACE; GIANTS FALL BEFORE DODGERS.

Deroit—Detroit slugged her way into first place and a victory over Cleveland on Thursday, 6 to 5. Uhle was driven from the box and Metevier fared but little better. Dauss was hit hard but received good support. Veach's barehanded catch after a long run being a feature. Heilmann was out of the game on a one day suspension, the aftermath of his argument with Umpire Ormsby in Wednesday's game.

Boston—Errors by Galloway and Hale, followed by Burns' single, gave Boston two runs in the third, enabling the home team to win from Philadelphia. 3 to 1, on Thursday. Hasty allowed but seven hits.

Chicago——St. Louis hit T. Blankenship opportunity and got an even break in the series with Chicago by taking the final game 6 to 2. Danforth was in fine form and had little difficulty holding the locals.

Washington, D. C.—New York made it three out of four from Washington by winning the final game of the series on Thursday, 3 to 2. Warmouth's wildness proved costly, while Pennock pitched effectively until the ninth inning when a fine throw by Ruth ended a Washington rally.

Home Run Wins Game

Philadelphia—Philadelphia took the final game of the series from Boston on Thursday, 6 to 4. Ring held the visitors to nine scattered hits. Cy Williams won the game for the locals in the seventh when he drove the ball over the right field wall for his sixth home run of the season. Rapp was on first and scored ahead of Williams. Powell also put the ball over the wall in the fifth scoring two teams mates ahead of him.

New York—After losing seven successive games to New York, Brooklyn easily captured the last game of its series with the world's champions 11 to 3. Brooklyn landed on four Giant pitchers for seventeen hits, and clinched the game with six runs in the fifth inning, bunching seven hits on Scott and Lucas.

Pirates—Cards Win

Pittsburgh—Pittsburgh won the opening game of the series with Cincinnati 3 to 1 on Thursday. Babe Adams pitched a steady game and was given sensational support. Donahue was relieved in the eighth inning by Benton to make way for a pinch hitter. The Pirates returning from St. Louis missed connections at Cleveland and completed the journey on a special train. Grimm hit safely on Thursday the sixteenth consecutive game.

St. Louis—Singles by Bottomley gave St. Louis a 3 to 2 victory over Chicago on Thursday. Bottomley's safety in the sixth scored Flack and his single in the eighth drove in Flack and Hornsby.

# BIG SUMS SPENT BY CHICAGO GIRL WITHOUT RESULT

TANLAC ALONE PUT GLOW OF HEALTH BACK INTO CHEEKS, SHE STATES; ALSO RESTORED MOTHER

"I am so healthy and happy now that I monopolize the spare time of my friends telling them about the Tanlac treatment," recently declared Miss Evelyn Marcotte, 1419 N. Dearborn St. Chicago, Ill.

"I was so run-down it tired me out to stand on my feet any length of time. I was pale and nervous and never sleep well. I also had violent headaches and attacks of indigestion that almost drove me frantic. I had spent so much money without getting better I began to think nothing could help me.

"But the Tanlac treatment has built me up in weight and strength and put the glow of health back into my cheeks. My troubles are gone completely, and I feel just fine in every way. My mother, who was also in a run-down condition, has taken Tanlac with splendid results. Nothing pleases me better than to praise Tanlac."

Tanlac is for sale by all good druggists. Accept no substitute. Over 37 million bottles sold.

Tanlac Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.—Adv.
